# 2018 Summer Camp Extra Activities

## **Early Years Child Care/Development Class**

During the summer our first through fifth grade students will learn responsibility while interacting with toddlers. They will meet occasionally on non-field trip days. The students will walk with their teachers to our Early Years building. Once there, they will learn important skills while playing with very young children such as toy safety, playground safety, and appropriate conversation during parallel play.

## **Shires Ball Field**

This field is located at the end of the street. The children will visit the field on occasion to play ball.

YES! My child (name first/last) \_\_\_\_\_,  
has my permission to participate in the ECA Child Care Development, and Shires Ball Field. I understand that my child will walk off the school grounds with his/her teachers to the ball field and Early Years in the English Creek Shopping Center.
